AWARDS

🏆 3rd place in a region-wide programming marathon

🎖 Best educational website built by a student

ABOUT ME

Result-Oriented Front End Angular Developer with a strong technical skill-set, attention to detail, and 16 years of experience. I have a passion for translating beautiful designs into functional user interfaces and building great web applications. I actively seek out new technologies and stay up-to-date on industry trends and advancements. Continued education has allowed me to stay ahead of the curve and deliver exceptional work to each employer I've worked for - both full-time and contract.

EDUCATION

University of the People   2016-Present
AS in Computer Science

EPRG, Ribeira Grande, Portugal   2002-2005
IT technician/management
